REPORT OF FOREST FIRE WARDEN

Once again we are about to enter another forest fire season and once again your town forest fire warden is asking you to be careful of fires in our woodlands and along our roadsides. There is nothing more displeasing to the eye than an area of blackened waste. Nine out of ten of these blackened areas are caused by You and You. It is only with your cooperation that we can prevent such an area in our town. A great part of the men and women of this area depend on timber for their weekly pay check, and by you and you being careless, these people are being deprived of a living. We can't even try to prevent fires caused by lightning, but the number of fires caused by this agent is very small. It is you as a smoker, as a debris burner, — you as a careless person, who can do a great deal in preventing this most shameful waste of our natural resources.

You can help by making sure your smoking material is out — DEAD OUT, your incinerator is air tight, the area around it is cleaned of all burnable material, that you have had it inspected by your forest fire warden, that you have asked for and received a permit to burn from your forest fire warden. By doing these things the number of fires are going to be fewer and you will have woodlands to hunt in, to have picnics in, to be able to fish the stream. You will also be proud of your green mountainsides. By not doing this you will not enjoy yourself at all. It is not too long ago that most of us can still remember the fall of 1947, and we all know that most of those fires during that period could have been prevented if everyone was careful. So, it is only You and You that can prevent this most shameful waste of our woodland by this common enemy — FIRE.

Please remember it is a proud record for you to say that my town had no woods fires this past year and it is only through you and you that this goal can be reached. So, please help us to prevent forest fires.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Effingham:

Teachers in the Effingham Schools during 1951-52 were: — Miss Gladys Leavitt, Center School; and Mrs. Linnie Giles, Falls School. Both teachers provided your schools with their usual competent teaching service. Both returned to their respective schools in September of the current year.

A total of 60 pupils were enrolled. Enrollment by grades varied from two in the 4th grade to thirteen in each of grade 3 and grade 5. There was one elementary pupil enrolled in the Ossipee Central School. 13 high school pupils attended Kennett High School, 1 at Brewster Academy, and 1 at Spaulding High School. This made a total of 75 pupils.

The costs of education in Effingham for 1951-52 were as follows:

	Effingham	State Average 1951-52
Total cost per elementary pupil	\$200 38	\$239 15
Cost per elementary pupil for teachers' salaries	76 60	105 77
Cost per high school pupil	277 59	321 36
School tax rate per \$1000 adjusted valuation	18 39	19 99

It may be of interest to note that the cost of teachers' salaries amounts to six and one-half cents per pupil per hour.

At the beginning of the current year through a reorganization of the transportation grades 1 to 4 were placed in the Falls school, and grades 5 to 8 in the

Center School. This arrangement is a great improvement over the previous organization as it provides a more homogenous grouping and fosters more efficient teaching.

At the beginning of the current year 17 pupils were enrolled at Kennett High School, 2 at Brewster Academy, and 1 at Porter High School.

Mrs. Amy L. Brown, R. N. of Center Harbor served as School Nurse for the year. Her expert work in testing vision and hearing, as well as the routine service, is much appreciated. Mrs. Brown is continuing to serve in this position for the current year.

The unfailing cooperation of members of the School Board, teachers, pupils and citizens is appreciated most sincerely.

Respectfully submitted,

EVERETT H. BRASIER

REPORT OF SCHOOL NURSE

This report is from January 1, 1952 to December 31, 1952 which is half of each school year since the school year is from September 1 to June 30.

The heights and weights were recorded in June and again in October.

Throughout the year there were several inspections made. The children's teeth need attention but it seems practically impossible to find a dentist to hold a Dental Clinic.

In February the hearing of 54 students was examined with the Maico Pure Tone machine.

In March, 55 T. B. Patch Tests were applied. A Chest X-ray Clinic was held the following April in Center Ossipee for anyone wishing to attend.

An immunization and vaccination clinic was held at Center Ossipee in April with a few from Effingham attending.

The Orthopedic Clinic was in April and October with Dr. Hunter of Portsmouth as attending physician. Several children were given exercises for the flat feet and posture problems; others required X-rays which were taken care of at a later date in Wolfeboro.

Miss Hazel Leavitt, Physiotherapist in Wolfeboro, came to the schools and homes in May to re-check exercises and help the children if needed. This was through the connections with the Crippled Childrens Services.

Vision testing is an annual procedure. Those

failing to see normally will receive a notice suggesting a re-check by the family eye doctor.

This school year of 1952-1953, plans have been made for a physical examination of each child. This shows great progress and is certainly needed.

Respectfully submitted,
AMY L. BROWN, R. N.
